Gauteng Department of Human Settlements Internships 2026 New Application

Description

The Gauteng Department of Human Settlements is a dynamic governmental organization committed to addressing housing challenges and fostering sustainable urban development within the Gauteng province. Through innovative policies, community engagement, and strategic partnerships, we aim to create inclusive, affordable, and dignified housing solutions for all residents.

We are excited to announce internship opportunities within the Gauteng Department of Human Settlements. As an intern, you will have the opportunity to gain valuable hands-on experience in various aspects of human settlements, housing, urban development, and public service. This internship is designed to provide students and recent graduates with practical exposure to the complexities of policy-making, community development, and implementation strategies within the realm of human settlements.

Responsibilities

- Assist in the development, implementation, and evaluation of housing policies and programs.
- Conduct research on urban development trends, housing needs assessments, and community demographics.
- Support project management activities related to housing construction, infrastructure development, and service delivery.
- Collaborate with stakeholders including government agencies, non-profit organizations, and community groups to address housing challenges and promote sustainable development.
- Participate in policy analysis, drafting reports, and presenting findings to departmental leadership.
- Engage in community outreach initiatives to raise awareness about housing rights, access to services, and citizen participation in decision-making processes.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program OR recent graduate within the last two years.
- Strong interest in human settlements, urban development, public policy, or related fields.
- Excellent written and verbal communication skills.
- Ability to work independently and collaboratively in a fast-paced environment.
- Proficiency in Microsoft Office Suite and research tools.
- South African citizenship or valid work permit.

Job Benefits

- Paid internship opportunity.
