- **HR Operations Support:** Provide support in various HR operational tasks, including maintaining employee records, updating databases, and assisting in payroll activities.
- **Learning and Development Initiatives:** Contribute to the planning and execution of training programs, workshops, and other learning initiatives to foster employee growth and development.
- **Employee Engagement Activities:** Assist in organizing and coordinating employee engagement activities, events, and initiatives to enhance workplace culture and employee morale.
- **HR Policy and Compliance:** Gain exposure to HR policies and procedures, assist in policy review, and ensure compliance with legal requirements.
- **Data Analysis and Reporting:** Assist in data collection, analysis, and preparation of HR reports to support decision-making processes.

Qualifications

- Currently pursuing a Bachelor's or Master's degree in Human Resources Management, Business Administration, or related field.
- Strong interpersonal skills and ability to collaborate effectively with cross-functional teams.
- Excellent organizational skills with attention to detail.
- Proficiency in Microsoft Office Suite.
- Strong verbal and written communication skills.
- Ability to maintain confidentiality and handle sensitive information professionally.
- Eagerness to learn and contribute positively to the HR function.

Job Benefits

- Hands-on experience in various facets of HR operations within a leading global company.
- Mentorship and guidance from experienced HR professionals.
- Exposure to diverse projects and opportunities for professional development.
- Networking opportunities within the organization.
