SEI: Graduate Associate Internships 2026 Apply Now

Description

As a Graduate Associate Intern, you'll immerse yourself in SEI's dynamic work environment, collaborating with seasoned professionals. Gain exposure to various aspects of investment management, financial planning, and client servicing.

Responsibilities

- Conduct research and analysis on financial markets and investment products
- Assist in portfolio management tasks and investment strategy development
- Support client relationship management activities
- Engage in project-based assignments contributing to company initiatives

Qualifications

- Pursuing or recently completed a degree in Finance, Economics, Business, or a related field
- Strong analytical and quantitative skills
- Excellent communication and interpersonal abilities
- Proficiency in Microsoft Excel and other financial tools
- Ability to adapt and thrive in a fast-paced, collaborative environment

Job Benefits

- **Hands-on Experience:** Engage in real-world projects, gaining practical exposure to the investment industry, financial analysis, and client relations.
- **Mentorship:** Access to guidance and mentorship from experienced professionals, offering valuable insights and career advice.
- **Professional Development:** Opportunities to enhance skills, broaden industry knowledge, and develop a strong foundation for a career in finance or investment management.
- **Networking:** Establish connections with professionals in the field, potentially leading to future career opportunities.
- **Learning Opportunities:** Workshops, training sessions, and access to resources to expand your knowledge and understanding of investment strategies and financial markets.
- **Career Growth:** Potential consideration for full-time employment based on performance during the internship.
- **Exposure to Company Culture:** Gain insight into the work culture and operations of a global investment firm, fostering a better understanding of the industry.
- **Compensation:** Some internships offer stipends or financial compensation for the duration of the internship.
