Volvo Group: Finance Internships [2026-27] New Hiring

Description

Volvo Group is a leading global manufacturer of trucks, buses, construction equipment, and marine and industrial engines. Our commitment to innovation, sustainability, and customer satisfaction drives us to deliver world-class products and services. At Volvo Group Southern Africa, we are dedicated to nurturing future talent and providing them with meaningful opportunities to develop their careers in a dynamic and supportive environment.

Volvo Group Southern Africa is offering an exciting graduate opportunity for a Finance Intern based in Durban. This role is ideal for a recent graduate looking to gain hands-on experience in various finance functions within a global organization. The Finance Intern will work closely with our Accounts team and report directly to the Business Control / IT Manager. This position offers valuable exposure to key areas of finance, providing a solid foundation for future career development in the finance sector.

Responsibilities

As a Finance Intern at Volvo Group Southern Africa, you will have the chance to engage in the following responsibilities:

1. Accounts Payable:

- Coordinate the end-to-end (E2E) process for accounts payable, working collaboratively with the Logistics team, AP Team, and suppliers.
- Execute master data updates in the General Ledger (GL) and Accounts Payable systems.
- Manage the once-off payment process and ensure timely and accurate processing.

2. Master Data Management:

- Execute updates and maintenance of master data in both GL and Accounts Payable.
- Coordinate the maintenance of the Rebate Register, addressing non-conforming activities and processes.

3. Training and Assessments:

- Process and capture training assessments (AMIC) to ensure accurate and up-to-date records.

4. Project Participation:

- Participate in or manage projects within the master finance area, focusing on maintaining financial governance standards and improving financial control performance.

5. Cost Deployment and Reporting:

- Provide support and participate in Volvo Production System (VPS) activities, coordinating actions for cost deployment.
- Create and manage purchase orders (P+).
- Deliver statistics and reports to authorities or other related parties as required.

6. Period End Closing:
